Re: Waterfront Committee

Dear Mr. Mayor and Members of City Council:

The Old Town North Community Association endorses Mr. Engin Artemel's application to be a member of the Alexandria Waterfront Committee as "resident east of Washington Street and north of Pendleton Street".

Mr. Artemel has been a resident of this area since 1996 and a member of this association since that time. While Director of Planning for the City of Alexandria, he prepared the City's Waterfront Master Plan, and is familiar with the issues facing the waterfront as well as the City's and citizen wishes for the waterfront area. While in private practice, he conducted studies of a number of properties on the waterfront, including the Ford Plant, Harborside, the current Rivergate property, and Canal Center.

His knowledge and expertise on the waterfront plan, specific properties, and in planning and environmental matters in general will be invaluable to the Waterfront Committee. Mr. Artemel has also demonstrated an unusual ability to work well with the public and private sectors simultaneously, including a sensitivity to citizen concerns.

Sincerely yours,

Bruce Machanic
President
